

HOW TO PARTICIPATE

Your membership investment gives you a voice in shaping the direction of ORC—and we want to hear from you! Let us know your thoughts and questions about how you'd like to see ORC work to fulfill its mission. Here are some of the ways you can participate:

Attend our monthly Board of Directors meetings (members receive notification of time and place) and help to plan our path forward.

Volunteer for a Committee—including our Communications committee to help share information about news and events, the Development committee to reach out to new members and supporters, and the Events committee to get involved in events sponsored by member organizations all along the river.

Volunteer your talents—our members are the key to our success. Whether supplying content for our website, helping with administrative tasks, developing a new program or planning the next social event, tell us your interests and we'll match you with the best opportunity to get the most from your membership!

“A river is more than an amenity, it is a treasure.”
